PERSONA B / CHARACTER DESIGN / MASTER SHEET

Adult 28 • beautiful, gorgeous, stunning, lean, cute • Persona B retained as the common reference

Front A-stance study

Feet remain slightly splayed; not a rig-ready pose.

Canonical face source

Actual source for face/expression/eye edits.

DESIGN LOCKS

Same fictional identity; do not swap face.

Neutral brown eyes; brown center-part bob.

Lean, naturally proportioned adult body.

Plain ivory tee / charcoal straight trousers.

Dark closed flats; no added accessories.

Neutral studio and natural diffuse light.

Left-facing 3/4

Right-facing 3/4

Left profile

Right near-profile — HELD

Digital color samples only; lighting dependent, not measured pigment or fabric specification.

PHOTOGRAPHIC REFERENCE CANDIDATES • Not approved baselines, exact orthography or controlled comparisons

PERSONA B / BODY TURNAROUND

Aligned display scale • approximate photographic views • genuine opposing source views, not mirrored duplicates

FRONT / A-STUDY
Arms clearer; toe splay caveat.

FACING IMAGE-LEFT
Source-conditioned profile.

FACING IMAGE-RIGHT
Image 2.0 correction; genuine right-facing.

BACK
Unseen rear details reconstructed.

REAR-OBLIQUE
Angle approximate, not certified 135°.

Proportion guides are implicit in aligned images; no invented height, anatomical measurements or exact camera calibration.

PHOTOGRAPHIC REFERENCE CANDIDATES • Not approved baselines, exact orthography or controlled comparisons

PERSONA B / HEAD / FACE REFERENCE

Stable source likeness • one explicit unresolved high-detail right profile • no face reconstruction claims from tiny crops

LEFT-FACING 3/4

RIGHT-FACING 3/4

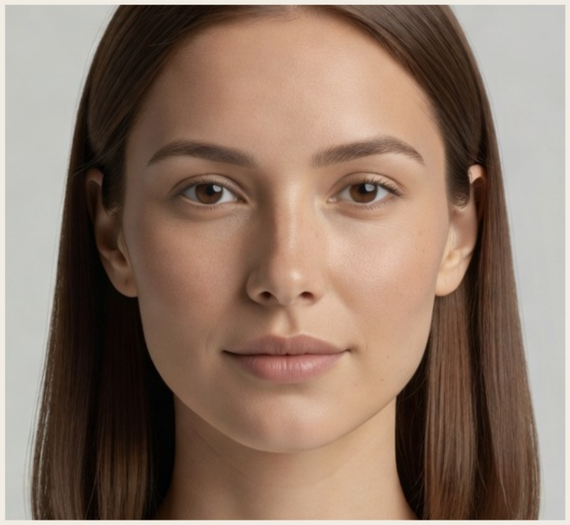

LEFT PROFILE

RIGHT NEAR-PROFILE / HELD

Strict right-side face closeup remains unresolved.

FACE CONSTRUCTION / LITERAL CROP

Original source pixels only.

IDENTITY FEATURES TO PRESERVE

Oval head and cheek/jaw contour, not a reshaped beauty filter.

Brow placement, almond eye shape and medium-brown pigment.

Original nose bridge/tip, lip outline and natural asymmetry.

Brown center-part bob; consistent ear/hair boundary.

Skin texture and tone without waxy smoothing or added marks.

Angle changes are not proof of pixel-identical identity.

PHOTOGRAPHIC REFERENCE CANDIDATES • Not approved baselines, exact orthography or controlled comparisons

PERSONA B / EXPRESSION MODEL SHEET

Same front-face original supplied to every expression edit • restrained acting range, not geometry redesign

NEUTRAL

Canonical source.

SOFT CLOSED-LIP SMILE

No teeth exposure.

WARM HAPPY SMILE

Small upper-teeth glimpse.

CALM FOCUS

Subtle brow/eye engagement.

CONCERN

Inner-brow tension; closed mouth.

DO NOT

Swap identity to chase expression.

Inflate lips or enlarge eyes.

Invent duplicate teeth or pupils.

Confuse acting with a new face.

PHOTOGRAPHIC REFERENCE CANDIDATES • Not approved baselines, exact orthography or controlled comparisons

PERSONA B / DETAIL / SURFACE STUDIES

Eye, hand and footwear are reference-conditioned reconstructions • literal crops labeled separately

EYE / BROW

Reconstructed macro, not recovered radial pixels.

HAND / WRIST

Overlapping fingers; not flat anatomy certification.

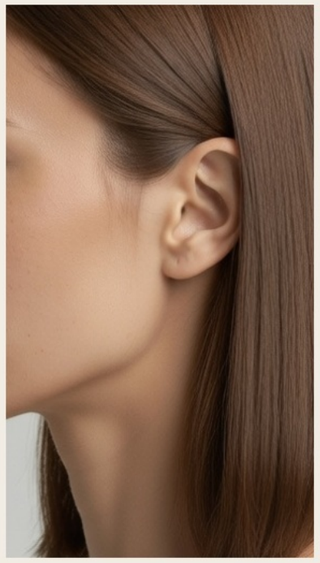

FOOTWEAR

Reconstructed low-profile flats, not measured materials.

SKIN / LITERAL SOURCE CROP

No generated extra microdetail.

HAIR / LITERAL SOURCE CROP

Appearance under reference lighting.

TEE / LITERAL BODY CROP

Opaque matte garment appearance; fiber unverified.

PHOTOGRAPHIC REFERENCE CANDIDATES • Not approved baselines, exact orthography or controlled comparisons

PERSONA B / OUTFIT / COLOR / CONTINUITY

Unbranded opaque outfit • source-sampled colors • all rear/detail reconstruction requires user review

COSTUME SPECIFICATION

Ivory opaque short-sleeve crewneck tee.

Untucked hem remains readable.

Charcoal straight ankle-length trousers.

Simple dark closed low-profile flats.

No belt, bag, jewelry, logo or added trim.

Materials are appearance cues, not lab-verified.

FRONT OUTFIT

Ivory crewneck tee, untucked; charcoal trousers.

BACK OUTFIT

Plain rear design; no generated decorative additions.

PHOTOGRAPHIC REFERENCE CANDIDATES • Not approved baselines, exact orthography or controlled comparisons

PERSONA B / QA / HELD RENDERS

Failures preserved; no mirror hacks, silent refunds or false exact-angle labels

WRONG DIRECTION

Named right, but actually faces image-left.

HEAD TURN ONLY

Body largely back-on, not intended rotation.

NOT STRICT PROFILE

Far eye/lashes remain visible.

WRONG FRAMING / OUTFIT

Returned full body and tucked shirt, not face closeup.

PHOTOGRAPHIC REFERENCE CANDIDATES • Not approved baselines, exact orthography or controlled comparisons

PERSONA B / USAGE / APPROVAL BOUNDARY

Reference-conditioned model-sheet candidates, not approved production baselines

SOURCE HIERARCHY

Face master → face angles, expressions and eye-detail candidates.

Body master → body turnaround, hand and shoe-detail candidates.

Every new view forks from an existing original, never an earlier failed angle.

REQUIRED USER REVIEW

Confirm persona identity, outfit, silhouette, palette and acceptable angle accuracy.

High-detail exact right-facing head profile is still HELD / UNRESOLVED.

Review crops and mask overlays before controlled group variants.

DO / DO NOT

Keep beautiful, gorgeous, stunning, lean, cute as adult styling with natural anatomy.

Do not claim exact orthographic camera, inferred body height or recovered unseen details.

Do not substitute a mirrored image or typed filename for a real opposite-side view.

METHOD / COST TRANSPARENCY

17 native Grok Imagine edits + 2 authorized Image 2.0 alternatives in this expansion.

Native responses report $0.374 for the 17 edits; alternative adapter exposes no usage receipt.

Six earlier persona originals reused without new charges. Old catalog run stays superseded.
